

February 15th Luncheon
11:30 AM – 1:15 PM
**Certified Professional in
Learning and Performance Symposium**

Do you know what Certified Professional in Learning and Performance, better known as CPLP™ is? Do you understand the value of becoming CPLP certified? Would you like to hear local CPLP-certified professionals share their experiences?

CPLP™ was designed to elevate the workplace learning and performance profession by:

- Creating learning and performance standards
- Providing an independent assessment of those standards through credentialing
- Supporting career paths through testing
- Ensuring recognition via certification and continued professional development through recertification

At the end of this luncheon and Q & A session, you will be able to:

- Explain how CPLP™ can positively impact your career and professional success
- State what is needed to be eligible for the certification program
- Identify what is required to successfully become certified
- Describe CPLP™ timelines and CPLP™ study groups
